

Week 19: Grace In Regeneration

Scripture Reading:

"Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God." - John 3:3

Opening Prayer:

Begin with a prayer, thanking God for the gift of regeneration and the transforming grace found in Christ.

Devotional:

To be saved, we need to be changed inside, like being born again. This change makes our minds want to do good things, according to God's will. It happens in a way we can't fully understand, through the power of the Holy Spirit and God's truth. This change helps us willingly follow God's word. We can see this change when someone shows true regret for past mistakes, believes in the good news, and starts living a better life in accordance with the Word.

Discussion:

1. What does it mean to be born again, and why is it necessary for a believer's life? (John 3:3; 2 Corinthians 5:17)
2. Share personal experiences of how God's grace has transformed your heart and life.
3. How can your family appreciate and embrace the grace that leads to regeneration and a new life in Christ?

Activity:

As a family, take time to share your testimonies of regeneration and the role God's grace played in each of your experiences.

Closing Prayer:

Close with a prayer of gratitude for God's grace in regeneration and a desire to walk in the newness of life.
