

Week 27: Trusting God in Hard Times

Scripture Reading:

"But my God shall supply all your need according to his riches in glory by Christ Jesus." - Philippians 4:19

Opening Prayer:

Open by asking God to help your family understand and trust in His provision, especially during times of financial uncertainty.

Devotional:

Every family faces ups and downs, and these moments can sometimes bring worry. Yet, in these times, we can turn to God's reassuring promise: He will take care of our basic needs. It's a great lesson for both adults and kids to learn the difference between things we want and things we truly need. By trusting in God and understanding that He knows and cares for our every need, we teach our hearts and minds to focus on lasting, heavenly treasures rather than temporary, earthly ones.

Discussion:

1. How can we teach our children about the difference between wants and needs? (Matthew 6:31-33)
2. Can you recall a moment when God provided for our family during hardship?

Closing Prayer:

Finish by thanking God for always taking care of your family and asking Him to guide your financial decisions and priorities.
