### Opening Prayer:

Open by expressing gratitude for God's immeasurable love that endures through all circumstances.

### Devotional:

God's love doesn't waver, diminish, or change based on our actions or circumstances. It is steadfast and eternal. This love reaches out to us even when we stray, offering grace, mercy, and the promise of eternal life. Every day, in countless ways, God demonstrates this love to us, beckoning us closer to Him.

### Discussion:

1. How is God's love different from human love? (Romans 8:38-39)
2. In what ways have you experienced God's unfailing love in your life? (Psalm 136:26)
3. Share a time when you felt overwhelmed by God's love and grace.

### Activity:

Create a family love letter to God, expressing gratitude for His love. Each member can contribute a line or paragraph.

### Closing Prayer:

Conclude with a prayer of thanksgiving, praising God for His boundless love and asking for guidance to love others as He loves us.
